The Tournament

The Cranford Rotary Club's Annual Golf Tournament offers you the opportunity to enjoy a fun day of golf and fellowship while supporting worthy causes.

In 2019, the proceeds of the Golf Tournament will benefit **Shining Stars Network** and the **Cranford Rotary Charitable Fund**.

Our Beneficiaries

The **Cranford Rotary Charitable Fund** was created in 1996 as a means to direct monies to our beneficiaries. The Charitable Fund's primary focus is raising funds for the Cranford Rotary Scholarships, which donates approximately \$15,000 annually to Cranford students. Proceeds from this event and other fund raising activities support our scholarships.

Shining Stars Network is a nonprofit organization dedicated to shining a light on the special needs community through media, events, and experiences.

The Cranford-based organization creates video, photo, and editorial content that spotlights the positive and inspiring stories within the special needs community. Shining Stars Network hosts inclusive events that provide opportunities for people with and without special needs to come together. They create and cultivate experiences that enhance the lives of people within the special needs community.

In recent years, the Rotary Club has supported **Cranford Family Care, Cranford First Aid Squad, Cranford Fund for Educational Excellence (CFEE), Cerebral Palsy League Adult Services, Cranford Project Home, Cranford PAL, Cranford United Way, Cranford Historical Society, and the Rotary International Foundation.**
